Part 1 Interpretation and Map

1.10 Title, Purpose, and Interpretation

1 Title

- 1.1 This Bylaw may be cited as the “Summer Village of Sundance Beach Land Use Bylaw”.

2 Contents of Bylaw

- 2.1 The contents of this Bylaw include:
- 2.1.1 Part 1 – Interpretation and Map
 - 2.1.2 Part 2 – Definitions
 - 2.1.3 Part 3 – Administrative Regulations
 - 2.1.4 Part 4 – General Development Regulations
 - 2.1.5 Part 5 – Land Use Districts
 - 2.1.6 Part 6 – Master Use and Structure Table

3 Purpose

- 3.1 The purpose of this Bylaw is to regulate and control the use and Development of land and Buildings within the Summer Village to achieve the orderly and economic Development of land and to:
- 3.1.1 divide the Summer Village into Land Use Districts;
 - 3.1.2 prescribe and regulate for each Land Use District the purposes for which land and Buildings may be used;
 - 3.1.3 confirm the establishment of the offices of the Developmental Authority and the Subdivision Authority;
 - 3.1.4 establish a method of making decisions on applications for Development Permits and Subdivisions;
 - 3.1.5 prescribe a manner in which notice of the issuance of a Development Permit is to be given; and
 - 3.1.6 establish a system for appealing decisions of the Development Authority and the Subdivision Authority.

4 General Interpretation

4.1 Grammatical Reference Regulations

- 4.1.1 Unless otherwise provided in this Bylaw, words capitalized in this Bylaw refer to the Definitions in Part 2 of this Bylaw.
- 4.1.2 Headings or subheadings in this Bylaw are inserted for ease of reference and guidance and do not form part of this Bylaw.
- 4.1.3 When a word or expression is defined in this Bylaw, other parts of speech and grammatical forms of the same word or expression have corresponding meanings.
- 4.1.4 Words not capitalized as Definitions should be given their plain and ordinary meaning as the context requires.
- 4.1.5 Words in the singular include the plural, words in the plural include the singular, and words importing the use of any gender shall include all genders.

4.2 General Reference Regulations

- 4.2.1 “Section” in this Bylaw refers to a contained set of regulations within a Part of this Bylaw.
- 4.2.2 “Subsection” in this Bylaw refers to a specific regulation or set of regulations within a Section.
- 4.2.3 “Sections” or “Subsections” containing tables listing Permitted and Discretionary Uses form part of this Bylaw.
- 4.2.4 Flowcharts outlining processes do not form part of this Bylaw.
- 4.2.5 Diagrams exemplifying regulations form part of this Bylaw.
- 4.2.6 Where, under this Bylaw, an Applicant is required to submit information to the Development Authority or the Subdivision Authority that has been prepared or reviewed by an expert or professional, including, but not limited to, an engineer, architect, arborist, or surveyor, the expert or professional shall be an Accredited Professional, licensed to practice in Alberta to the satisfaction of those approving authorities.
- 4.2.7 Nothing in this Bylaw relieves a Person from complying with any provision of any federal, provincial, or bylaw (including the Summer Village Bylaws) or regulation or any requirement of any lawful permit, order, or license.

4.3 Resolving Conflict

- 4.3.1 Each provision of this Bylaw is independent of, and severable from, all other provisions. If any provision is declared invalid or unenforceable for any reason by a court of competent jurisdiction, all other provisions of this Bylaw remain valid and enforceable.
- 4.3.2 If there is any conflict or inconsistency between the MGA and any provision of this Bylaw, then the MGA shall govern to the extent of such conflict or inconsistency.
- 4.3.3 In the case of any conflict between the text of this Bylaw and any photos, diagrams, or drawings used to illustrate any aspect of this Bylaw, the text takes precedence.
- 4.3.4 In the case of any conflict between a number written in numerals and a number written in letters, the number written in numerals must govern.
- 4.3.5 In the case of any conflict between information expressed in metric units and imperial units, the metric units must govern.
- 4.3.6 Unless specified elsewhere in this Bylaw, units must be rounded to the tenth decimal place.
- 4.3.7 Where this Bylaw references an act, regulation, code or bylaw (including the Summer Village Bylaws), such reference shall be interpreted using its most updated version as amended.
- 4.3.8 Where this Bylaw references an act, regulation, code or bylaw (including the Summer Village Bylaws) that no longer exists, such reference shall be interpreted using its replacement.
- 4.3.9 After this Bylaw comes into effect, all applications for Development Permits, whether new or in the process of being considered, shall be required to comply with this Bylaw.

1.20 Establishment of Land Use Districts and Land Use District Map

1 Establishment of Land Use Districts

1.1 This Bylaw establishes the following Land Use Districts within the Summer Village:

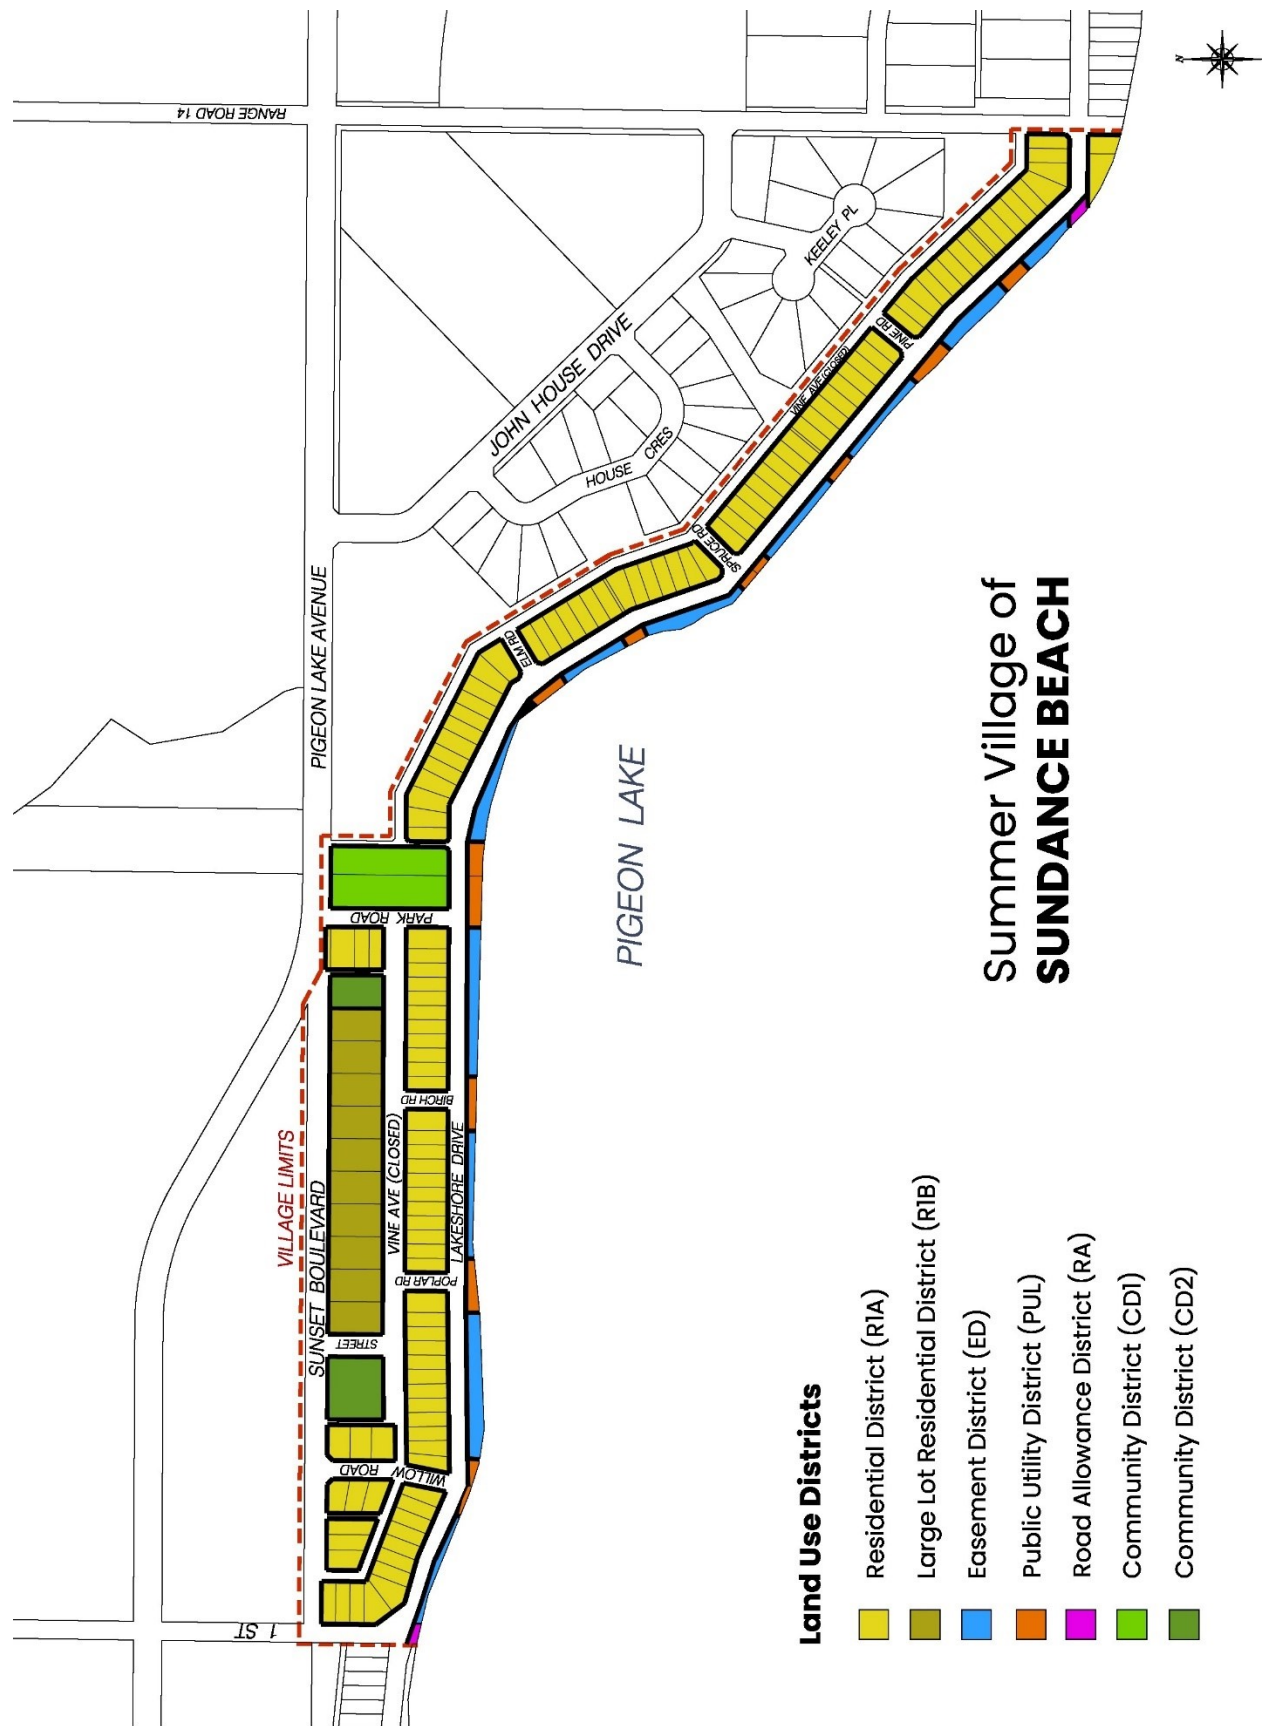

- 1.1.1 Residential District (R1A)

Part 3 Administrative Regulations

3.10 Authorities and Communication

1 Development Authority

- 1.1 The powers and duties of the Development Authority shall be as follows:
 - 1.1.1 In all Land Use Districts, the administration of the Development approval process shall be exercised and carried out by the Person appointed by the Council as the Development Officer.
 - 1.1.2 If no Person is appointed as the Development Officer, then the CAO shall act as the Development Officer.
- 1.2 For ease of reference, the Development Authority may also be referred to as the Development Officer.
- 1.3 The Development Authority shall:
 - 1.3.1 receive, consider, and decide on all applications for Development Permits in accordance with this Bylaw and the MGA;
 - 1.3.2 ensure that the Development is carried out in accordance with the Development Permit;
 - 1.3.3 make available for inspection by members of the public:
 - (i) a copy of this Bylaw, and
 - (ii) a list of all applications for Development Permits and the decisions rendered in connection with the applications;
 - 1.3.4 ensure that this Bylaw is posted on the Summer Village's website and that copies of this Bylaw can be purchased by the public at a reasonable price; and
 - 1.3.5 perform such additional duties as may be established by this Bylaw or by the direction of Council to enforce this Bylaw in accordance with the MGA.

2 Subdivision Authority

- 2.1** The powers and duties of the Subdivision Authority and the administration of the Subdivision Approval process shall be exercised and carried out by the Person appointed by Council for that purpose. If no Person is appointed, then the CAO shall act as the Subdivision Authority.
- 2.2** The Subdivision Authority shall:
- 2.2.1** receive, consider and decide on all applications for Subdivision Approval in accordance with this Bylaw and the MGA;
 - 2.2.2** perform such duties as are established for a Subdivision Authority from time to time in accordance with the MGA and the Matters Related to Subdivision and Development Regulation (MRSDR); and
 - 2.2.3** perform such additional duties as may be established by this Bylaw or by the direction of Council to enforce this Bylaw in accordance with the MGA.

3 Fines and Enforcement

- 3.1** A Person who contravenes any provision of this Bylaw or any condition of any Development Permit or Subdivision Approval issued pursuant to this Bylaw is guilty of an offence under this Bylaw.
- 3.2** The Development Officer or any designated officer of the Summer Village is hereby authorized to enforce this Bylaw and to exercise any of the rights or remedies available to the Summer Village, the Development Authority, or the Subdivision Authority under the MGA.
- 3.3** Without limiting the generality of subsection 3.2 above, the Development Officer or any designated officer of the Summer Village may:
- 3.3.1** exercise the Right of Access to enter any Property for the inspection of the conditions that may contravene or fail to comply with the provisions of this Bylaw; and/or
 - 3.3.2** issue a warning notice to the Owner, Occupant or User of the Property in question, advising of the condition and directing as to what conditions are to be rectified within the time limit specified in the warning notice; and/or

- 3.3.3 issue a Municipal Tag or a Violation Ticket to the Owner, Occupant or User of the Property in question specifying the amount of the fine established in accordance with subsection 3.6 below; and/or
 - 3.3.4 issue a Remedy Order to the Owner, Occupant or User of the Property in question and direct that the condition be remedied within the time limit specified in the Remedy Order.
- 3.4 If any Owner, Occupant or User fails, neglects or refuses to remedy the condition as directed by the Development Officer or any designated officer of the Summer Village, then the Summer Village may cause the work to be performed to remedy the condition and, with respect to the costs of such work:
 - 3.4.1 recover such costs from the Owner, Occupant or User as a debt due to the Summer Village; or
 - 3.4.2 charge the costs against the Property in question as taxes due and owing in respect of the Property and recover the costs as such.
- 3.5 In the case of an offence that is of a continuing nature, a contravention constitutes a separate offence in respect of each day, or part of a day, on which it continues. A Person guilty of the offence is liable to a fine in an amount not less than the amount established in accordance with subsection 3.6 below for each separate offence.
- 3.6 Despite whether a Remedy Order has been issued under this Bylaw, any Person who contravenes any provision of this Bylaw is guilty of an offence under this Bylaw and liable for a fine not less than the amount established in this section and not more than \$10,000. The following fine amounts are established for use in Municipal Tags and Violation Tickets (which offer a voluntary payment option):
 - 3.6.1 \$500 for any offence under this Bylaw; and
 - 3.6.2 double the fine amount described above for any subsequent offence (which means an offence committed by a Person within one year after the Person has already been convicted of the same offence or has voluntarily paid a fine for the same offence).
- 3.7 When a Municipal Tag is issued, the amount of the fine indicated therein may be paid in accordance with the Municipal Tag in lieu of prosecution.

- 3.8 When a Violation Ticket is issued with a specified penalty, the amount of the fine indicated therein may be paid in accordance with the Violation Ticket in lieu of prosecution.
- 3.9 Nothing in this Bylaw shall preclude the Development Officer or any designated officer of the Summer Village from issuing a Violation Ticket for a mandatory court appearance to any Person who contravenes any provision of this Bylaw.

3.20 Development Permits

1 Approvals Required

- 1.1 No Development shall be undertaken in the Summer Village unless:
 - 1.1.1 an application for the proposed Development has been approved by the Development Authority and a Development Permit has been issued;
 - 1.1.2 The Development has been authorized by the SDAB, the LPRT, or the Court of Appeal; or
 - 1.1.3 the proposed Development does not require a Development Permit under this Bylaw.
- 1.2 With respect to any given Land Use District, unless a Development in that Land Use District is described in this Bylaw as not requiring a Development Permit, such Development will require a Development Permit.

2 Development Permit Required

- 2.1 For greater certainty, except as specified in section 3 below, the following types of Developments require a Development Permit:
 - 2.1.1 relocating a Building from one location to another location;
 - 2.1.2 a material Grading Change in a manner which is not done temporarily as part of a Development. A Grading Change shall be deemed to be material if it could reasonably be expected to affect the drainage pattern on the Lot or Parcel or if it could have an adverse impact on the neighbouring properties or roadways;
 - 2.1.3 installing or removing an underground holding tank or other component forming part of a wastewater collection system;
 - 2.1.4 drilling, installing or removing a water well cistern or other component forming part of a domestic water supply system;
 - 2.1.5 construction, modification, repair, replacement, demolition or removal of a Building or Structure
 - (i) which is used or will be used as a utility, garden or storage shed,
 - (ii) which is used or will be larger than 10.2 square metres (110.0 square feet), and

- (iii) which is used or will be located within the Rear Yard of the Lot;
- 2.1.6 construction, modification, repair, replacement, demolition or removal of material amounts of shoreline protection including, without limitation, rocks;
- 2.1.7 construction, modification, repair, replacement, demolition or removal of a culvert or ditch;
- 2.1.8 creation of an excavation or a stockpile of materials which is not done temporarily as part of a Development;
- 2.1.9 Landscaping;
- 2.1.10 except in the Residential District (R1A) and the Large Lot Residential District (R1B), cutting or removal of healthy trees; and
- 2.1.11 change in use of a Building.

3 No Development Permit Required

3.1 The following Developments do not require a Development Permit:

- 3.1.1 completion of a Structure which was lawfully under construction at the time that this Bylaw came into effect;
- 3.1.2 routine maintenance of, or routine repairs to, a Structure provided that the work to be done does not constitute structural repairs or alterations;
- 3.1.3 routine maintenance of Landscaping including, without limitation, cutting grass and trimming plants, shrubs and trees;
- 3.1.4 Landscaping of a minor nature made to, or removed from, a Property such as but not limited to earth, rock, sand or other materials, and which does not constitute a material Grading Change;
- 3.1.5 cutting or removal of a dangerous tree which is located on a Property and which has fallen or is about to fall, and poses a threat to public safety;
- 3.1.6 placement and use, on a temporary basis, of lawn chairs, benches, tables, umbrellas, furniture, and other portable items on a portion of any Parcel located in the Lakefront District by the authorized User of such portion of such Parcel;

- 3.1.7 temporary storage of small watercraft, watercraft lifts, piers, pier sections, pier stands and similar items on a portion of any Parcel located in the Lakefront District by the authorized User of such portion of such Parcel during off-season months;
- 3.1.8 minor Structures which are not more than 2.0 metres (6.6 feet) in height and which are accessories to a residential use, such as a barbecue, bird feeder, doghouse, or lawn sculpture; and
- 3.1.9 the following signs:
 - (i) privately owned signs which are not illuminated and which have a maximum area of 1.5 square metres (16.0 square feet);
 - (ii) prohibitive signs such as “no trespassing” and “no hunting”;
 - (iii) signs on federal or provincial land;
 - (iv) municipal or provincial directional and traffic control devices; and
 - (v) public signs necessary for the construction, operation, or maintenance of a public utility.

4 Development Permit Application

- 4.1 The Development Authority may, with the approval of Council as evidenced by resolution:
 - 4.1.1 set any fees payable by the Applicant concerning any proposed Development including, without limitation, an application fee for a Development Permit in the manner prescribed by the applicable Summer Village Bylaw; and
 - 4.1.2 prescribe any forms to be completed by the Applicant concerning any proposed Development including, without limitation, the application form for a Development Permit.
- 4.2 An application for a Development Permit shall be made to the Development Authority in writing on a standard form prescribed by the Development Authority.
- 4.3 In the case of a change of Use or structural alterations to a Building, the Development Authority may require an inspection report, in form and substance satisfactory to the Development Authority, setting out the condition of the Building, the suitability of the Building for its intended use and the nature of any

improvements or repairs required to ensure that the Building meets the requirements of this Bylaw.

- 4.4 If an application for a Development Permit has been refused (whether initially or on appeal) and if, within 12 months following such refusal, another application for a Development Permit is made by or on behalf of the same Applicant for the same Property, then the Development Authority may refuse to accept such application if the Development Authority believes that the circumstances applicable to such application have not changed substantially.

5 Application for a Class A Development

- 5.1 A Development Permit Application for a Class A Development shall be accompanied by those documents, fees and other information as may be prescribed by the Development Authority including, without limitation, any of the following:
- 5.1.1 an accurate, scaled site plan of the proposed Development drawn to scale showing:
 - (i) the location of all proposed and existing Buildings;
 - (ii) vehicle access and parking, utility lines, gas lines, electricity lines, water wells, water lines, sewer lines, septic tanks;
 - (iii) any existing encroachments;
 - (iv) the location and dimensions of all required setbacks;
 - (v) the location of the high water mark of Pigeon Lake for all Lots or Parcels fronting onto Lakeshore Drive or Pigeon Lake and Lots 1-4, Block 2, Plan 4816HW fronting onto Front 1st Street or Pigeon Lake. ;
 - (vi) the calculations of Lot Coverage; and
 - (vii) details regarding the Landscaping proposed for the Lot or Parcel (may be provided in a separate landscape plan) showing the existing vegetation and any vegetation which is proposed to be removed or impacted.
 - 5.1.2 a statement of existing and proposed principal use and a statement of the ownership of the Property and interest of the Applicant therein;
 - 5.1.3 the estimated commencement and completion dates;
 - 5.1.4 the estimated cost of the project or contract price;

- 5.1.5 the required application fee;
- 5.1.6 if the proposed Development includes a new Building:
- (i) a real property report prepared by a qualified Alberta land surveyor;
 - (ii) floor plans and elevations and sections, showing cross sections of foundations or footings, including all height and horizontal dimensions and the location of exterior windows, doors and other openings in the Buildings;
 - (iii) any other improvements located and proposed to be located on the Lot or Parcel; and
 - (iv) a drawing or rendering of the finished Building.
- 5.1.7 if the proposed Development could reasonably be expected to cause a material Grading Change, a grading and drainage plan stamped by a licensed professional acceptable to the development officer:
- (i) showing the pre-Development grade and drainage of the Lot or Parcel and the proposed post-Development grade and drainage of the Lot or Parcel; and
 - (ii) designed to prevent any adverse impact on neighbouring Properties, roadways or Pigeon Lake.
- 5.1.8 If the proposed Development includes shoreline modifications or activities such as stripping, grading, or landscaping, a grading and drainage plan or landscape plan as per subsection 5.1.7 above.
- 5.1.9 If the proposed Development includes a hot tub:
- (i) proof of insurance liability; and
 - (ii) proof that Alberta Building Code requirements have been complied with.
- 5.1.10 If the proposed development includes a Retaining Wall greater than 1.0 metres (3.0 feet) in height or a series of Retaining Walls of any height, a report prepared by a qualified, registered professional indicating that the structural and geotechnical design of the Retaining Wall(s) is suitable for the site, conditions and intended purpose of the Retaining Wall(s).

6 Application for a Class B Development

6.1 Without restricting the generality of the documents or information which may be required by the Development Authority for a Development Permit Application for a Class A Development, the Development Authority may require additional information for a Class B Development Application including, without limitation:

- 6.1.1 a construction management plan prepared by a qualified professional providing details about:
 - (i) how the site will be managed during construction for the preservation of natural vegetation and topsoil, for the protection of roadways and infrastructure of the Summer Village, and
 - (ii) the proposed management strategies for minimizing and controlling erosion, mud and sediment-laden run-off;
- 6.1.2 an environmental review report prepared by a qualified professional providing details about:
 - (i) a description of the environmental sensitivity of the lands and features;
 - (ii) the nature of the impacts of land use activities on land, water, wildlife and fish during construction and upon completion of the Development;
 - (iii) an environmental mitigation/protection strategy to alleviate any adverse impacts.

7 Development Permit Completeness

- 7.1 The Development Authority must, within 20 days after the receipt of an application for a Development Permit, determine whether the application is complete.
- 7.2 An application for a Development Permit shall not be deemed complete until the Development Authority has received all the information described in sections 5 and 6 above.
- 7.3 If an application is determined incomplete, the Development Authority shall advise the Applicant of the outstanding documents and information to be submitted within a specified timeframe to be considered a complete application. After the outstanding documents and information are submitted and reviewed to determine if the application is complete, the Development Authority shall send a notice in writing and mailed or emailed to the Applicant confirming whether or not the application is complete.
- 7.4 Failure to submit the outstanding documents and information within the timeframe of the notice or a timeframe as agreed between the Applicant and the Development Authority, may result in the application being deemed to be refused and the Development Authority shall proceed to issue a notice of decision for refusal with reasons.

8 Decisions on Development Permit Applications

- 8.1 When deciding on an application for a Development Permit:
- 8.1.1 In the case of a Class A Development without variances, the Development Authority shall approve, with or without conditions, an application for a Development Permit provided that the proposed Development complies with the requirements of this Bylaw.
- 8.1.2 In the case of a Class A Development with variances or a Class B Development with or without variances, the Development Authority:
- (i) may approve the application unconditionally, provided that the proposed Development complies with the requirements of this Bylaw; or
 - (ii) may approve the application subject to conditions which are imposed by the Development Authority, and which shall be applicable permanently or for a limited time, as determined by

the Development Authority, provided that the proposed Development complies with the requirements of this Bylaw; or

(iii) may refuse the application.

- 8.2 The Development Authority shall refuse an application for a Development Permit in circumstances where the use of the proposed Development is neither a Permitted Use nor a Discretionary Use in the Land Use District in which the proposed Development is to be located.
- 8.3 In the case of a Class A Development with variances or a Class B Development with or without variances, the Development Authority shall:
- 8.3.1 give to the Applicable Adjoining Users, not less than 21 days prior written notice of the proposed Development including a description of the non-complying aspects of the proposed Development;
 - 8.3.2 record any written objections to the proposed Development made by an Applicable Adjoining User to the Development Authority before the expiration of the 21-day notice period;
 - 8.3.3 consider Applicable Adjoining Users' feedback when deciding to approve or withhold approval of the application for the Development Permit; and
 - 8.3.4 specify the nature of the approved variance in the Development Permit approval.
- 8.4 In the case of a proposed Development within the Easement District (ED), the Development Authority shall request input and comments from the EHA Directors and shall not render a decision before receiving and considering such input and comments;
- 8.5 The Development Authority may request an environmental review report from the appropriate Provincial agencies for comment and recommendations before approving or refusing an application for a Development Permit.
- 8.6 The Development Authority may use the recommendations of any technical report as a basis for reasons to refuse or approve, with or without conditions, a Development Permit.

9 Development Permit Conditions

- 9.1 The conditions referred to in subsections 9.1.1 and 9.1.2. below may include any conditions which the Development Authority considers appropriate including, without limitation, any one or more of the following:
- 9.1.1 the Applicant must amend the application to conform to this Bylaw or other bylaws of the Summer Village;
 - 9.1.2 the Applicant must pay an off-site levy or redevelopment levy imposed in accordance with a bylaw of the Summer Village;
 - 9.1.3 the Applicant must enter into any agreement in accordance with the MGA concerning the servicing of the Property;
 - 9.1.4 the Applicant must register an easement to protect a utility line;
 - 9.1.5 the Applicant must repair any improvements that may be damaged as a result of the Development;
 - 9.1.6 the Applicant must complete the Development within a specified period;
 - 9.1.7 the Applicant must grade the Property to the satisfaction of the Development Authority and provide a final grading certificate;
 - 9.1.8 the Applicant must incorporate parking in the Development to meet the requirements of this Bylaw or the regulations applicable to the Land Use District in which the proposed Development is to be located;
 - 9.1.9 the Applicant must provide a cash deposit, letter of credit or performance bond to secure the Applicant's obligation to perform any of the conditions imposed by the Development Authority;
 - 9.1.10 the Applicant must provide to the Development Authority a real property report prepared by a qualified Alberta land surveyor at the time that the foundation or footings are complete, but before the framing has started; and
 - 9.1.11 the Applicant must comply with any other applicable Summer Village Bylaws and Policies.
- 9.2 The Development Authority may register against the certificate of title to the Property by way of caveat or otherwise notice of one or more of the conditions imposed by the Development Authority and applicable to the Applicant's application for a Development Permit.

10 Limitation of Variance

10.1 The Development Authority may approve an application for a Development Permit in circumstances where the proposed Development does not comply with the requirements of this Bylaw provided that:

10.1.1 in the opinion of the Development Authority, the proposed Development would not

- (i) unduly interfere with the amenities of the Summer Village, or
- (ii) materially interfere with or affect the Use, enjoyment or value of the Properties adjacent to the Lot or Parcel on which the proposed Development is to be located.

10.1.2 in the opinion of the Development Authority, the proposed Development conforms with the Use prescribed by this Bylaw for the Property or the Buildings on the Property; and

10.1.3 the Owners of the Properties located within 60.0 metres (196.9 feet) of the Lot or Parcel have received by mail or email a written notice of the proposed non-compliance and the Development Authority has waited for at least 14 days following the communication of such notice to receive and consider the input and comments from such Owners.

10.2 In applying the regulations outlined in this Bylaw, the Development Authority may consider a variance of up to (but not more than) 2% of the maximum Building height and 5% of quantitative development standards such as, but not limited to, setbacks and lot coverage provided that the Development Authority is satisfied that:

10.2.1 there are circumstances of unnecessary hardship or practical difficulties peculiar to the Use, character, or situation of the Lot or Parcel or a Building, which are not generally common to other Properties in the same Land Use District; and

10.2.2 adequate mitigation measures will be used to reduce negative impacts on any adjoining Properties.

10.3 Except as otherwise provided in this Bylaw, there shall be no variance to the maximum number of Dwellings on a Lot or Parcel.

- 10.4 A Development Permit application for an enlargement, alteration or addition to a Non-Conforming Structure shall be deemed a Class B Development. The Development Authority may approve the Development Permit if:

- 10.4.1 the enlargement, alteration or addition does not require a variance; and
- 10.4.2 the Non-Conforming Structure complies with the Uses prescribed for the applicable Lot or Parcel in this Bylaw.

11 Notification of Development Permit Decisions

- 11.1 Upon deciding on an application for a Development Permit, the Development Authority shall:

- 11.1.1 issue the decision in writing;
- 11.1.2 if applicable, include in the decision reasons for a refusal of the application;
- 11.1.3 state in the decision that the Applicant or any Person affected by such decision has the right to appeal such decision and set out reasonable particulars of the appeal process;
- 11.1.4 mail or otherwise give a copy of the decision to the Applicant within 40 days following the making of such decision; and
- 11.1.5 post on the Summer Village's website a summary of relevant details of the Development Permit, as determined by the Development Authority.

- 11.2 The decision of the Development Authority concerning an application for a Development Permit shall be mailed, emailed, or otherwise provided to the Applicant and to any other Person who has filed an interest in the application.

- 11.3 If the Development Authority fails to comply with subsection 11.1.4 above, then the Development Authority shall be deemed to have refused the Applicant's application for a Development Permit and the Applicant may appeal the deemed decision of the Development Authority in accordance with subsection 14 below.

12 Validity and Cancellation of Development Permits

- 12.1 When the Development Authority has approved a Development Permit, the Development Permit shall not be valid:

- 12.1.1 unless and until all conditions of approval (other than conditions of a continuing nature) have been satisfied; and

- 12.1.2 until the statutory period for filing an appeal of the issuance of the Development Permit has expired.
- 12.2 Upon the issuance of a Development Permit, it shall be the responsibility of the Applicant to ensure that all contractors, subcontractors, suppliers and other Persons who are working on, or providing services in connection with, the Development are aware of, and comply with, all the conditions of, and the requirements under, the Development Permit.
- 12.3 After the issuance of a Development Permit, the Development authorized by the Development Permit shall be:
 - 12.3.1 commenced within six months following such issuance unless, subject to subsection 13 below, the Development Authority grants an extension of such six-month deadline, and the Applicant complies with any conditions applicable to such extension; and
 - 12.3.2 completed within 18 months following such issuance unless the Development Authority grants an extension of such 18-month deadline and the Applicant complies with any conditions applicable to such extension.
- 12.4 After the issuance of a Development Permit, a placard provided by the Development Authority setting out the details of the Development Permit (including, without limitation, any applicable variances) shall be posted in a visible location near the entrance to the Property before any work commences and such placard shall remain posted throughout construction.
- 12.5 The Development Authority may revoke a Development Permit in circumstances where the Development Authority believes that the Development Permit was obtained by misrepresentation or non-disclosure of material facts by the Applicant. In such circumstances, the Applicant shall have the right to appeal such revocation.
- 12.6 When an appeal of the issuance of a Development Permit or the imposition of one or more conditions imposed by the Development Authority has been filed before the expiration of the applicable statutory appeal period, the Development Permit shall be suspended and deemed invalid pending the withdrawal of the appeal or the final decision of the SDAB, the LPRT, or the Court of Appeal, as the case may be.

13 Development Permit Time Extension

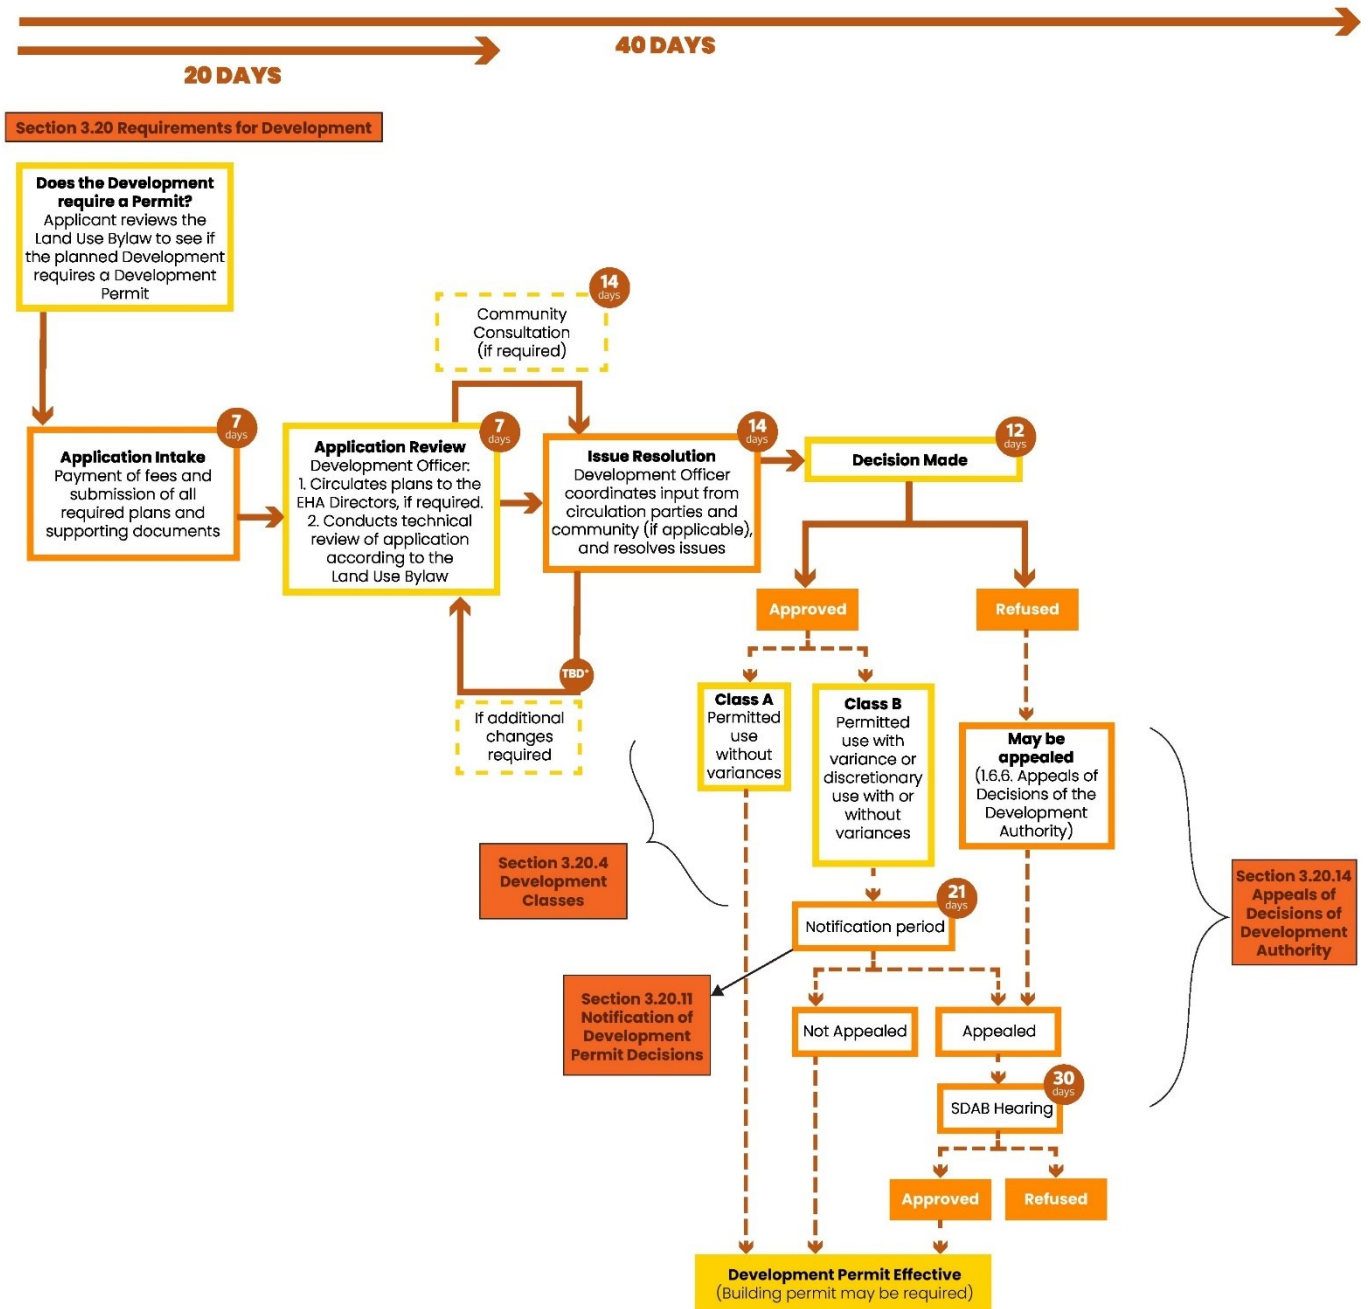

- 13.1 Upon request, the Development Authority may extend the date that the Development must commence as specified in this Bylaw if:
- 13.1.1 the Development Permit is not for a change of Use;
 - 13.1.2 the length of the extension is less than two years from the date on which the Development must commence according to the applicable Development Permit; and
 - 13.1.3 the request is made in writing or on a form approved by the CAO.
- 13.2 The request for an extension may be granted before the date on which the Development must commence according to the applicable Development Permit.
- 13.3 No more than one extension shall be granted for any Development Permit.

14 Appeals of Decisions of Development Authority

- 14.1 The SDAB and the LPRT are established to hear appeals to decisions of the Development Authority in accordance with the MGA.
- 14.2 Any Person affected by any decision of the Development Authority shall have the right to appeal such decision to the SDAB or the LPRT, as stated by the Development Authority in its decision.
- 14.3 An appeal of a decision of the Development Authority shall be made following the process and the requirements set out in the MGA.

15 Subdivision Approval Application

- 15.1** No Subdivision shall be undertaken in the Summer Village unless an application for Subdivision Approval has been approved by the Subdivision Authority.
- 15.2** An application for Subdivision Approval shall be made to the Subdivision Authority in writing on a standard form prescribed by the Subdivision Authority. An application for Subdivision Approval shall be accompanied by those documents, fees and other information as may be prescribed by the MGA, the MRSDR and the Subdivision Authority.
- 15.3** Upon receiving an application for Subdivision Approval, the Subdivision Authority shall comply with the requirements set out in the MGA and the MRSDR with respect to applications for Subdivision Approval.
- 15.4** The decision of the Subdivision Authority with respect to an application for Subdivision Approval shall be given in writing and, in doing so, the Subdivision Authority shall comply with the requirements set out in the MGA and the MRSDR with respect to decisions of a Subdivision Authority.

16 Appeals of Decisions of Subdivision Authority

- 16.1** The SDAB and the LPRT are established to hear appeals of decisions of the Subdivision Authority in accordance with the MGA.
- 16.2** Any Person affected by any decision of the Subdivision Authority shall have the right to appeal such decision to the SDAB, LPRT, or the Court of Appeal as stated by the Subdivision Authority in its decision.
- 16.3** An appeal of a decision of the Subdivision Authority shall be made following the process and the requirements set out in the MGA.

3.30 Amending the Land Use Bylaw

1 Procedure for Amendments

- 1.1 Council or the CAO may, at any time, initiate the process for a proposed amendment to this Bylaw, but before giving first reading to any proposed amendment, it shall be referred to the Development Authority for comments and recommendations.
- 1.2 Any Owner shall have the right to submit a request to Council to amend this Bylaw.
- 1.3 A request to amend this Bylaw shall be made in writing or on a form approved by the CAO.
- 1.4 An amendment to this Bylaw shall be made in accordance with the process and the requirements set out in the MGA.

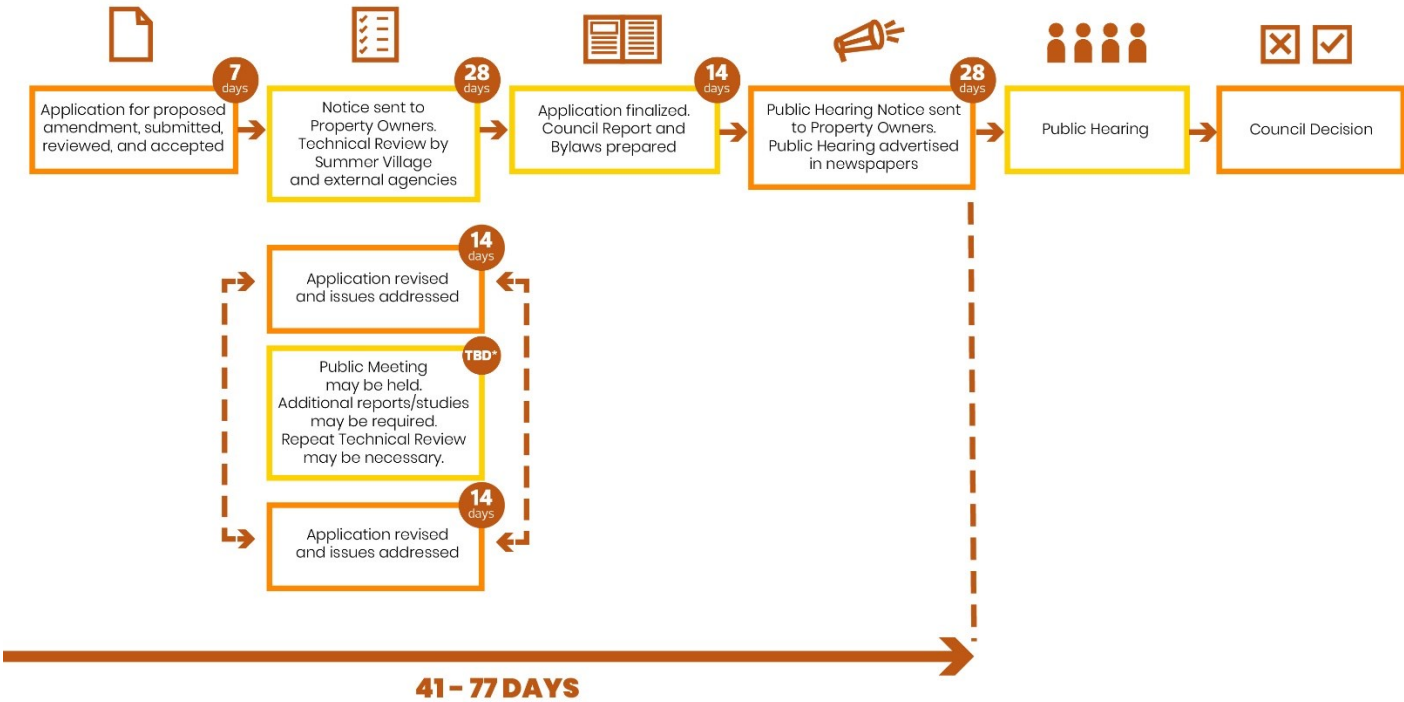

2 Resubmission Interval

- 2.1 Where an application for a proposed amendment to this Bylaw has been refused by Council, another application for the same or substantially the same amendment shall not be considered within 12 months of the date of the refusal unless Council otherwise directs.

Part 4 General Development Regulations

4.10 Site Organization

1 Development Density

- 1.1 The maximum number of Buildings on a Lot located in the Residential District (RIA) shall be:
 - 1.1.1 One Principal Building; and
 - 1.1.2 Two Accessory Buildings, one of which may be a Garage or a Guesthouse.
- 1.2 The maximum number of Buildings on a Lot located in the Large Residential District (RIB) shall be:
 - 1.2.1 One Principal Building; and
 - 1.2.2 That number of Accessory Buildings as permitted by the RIB Lot Coverage regulations set out in this Bylaw.
- 1.3 The maximum number of Buildings on a Lot located in the Community District (CD2) shall be as permitted by the CD2 Lot Coverage regulations set out in this Bylaw.
- 1.4 The maximum number of Buildings or Structures on a Lakefront Parcel (ED, PUL, RA) shall be as Permitted by the Lot Coverage regulations set out in this Bylaw in each respective Land Use District.

2 Driveways and Parking

- 2.1 The number of Driveways on a Lot in the Residential District (RIA) and the Large Lot Residential District (RIB) shall be limited to
 - 2.1.1 One Driveway on a Lot with less than 30.5 metres (100.0 feet) of frontage; and
 - 2.1.2 Two Driveways for Lots with more than 30.5 metres (100.0 feet) of frontage.
- 2.2 A second Driveway may be permitted at the discretion of the Development Authority on a corner Lot if the second Driveway shall not exceed 6.0 metres (20.0 feet) in width.

- 2.3 The width of Driveways shall not exceed 4.3 metres (14.0 feet) unless, in the opinion of the Development Authority, additional width is required for public safety or to effectively convey traffic between a Lot and the applicable Road.
- 2.4 The number of Parking Stalls and Parking Pads located on a Lot in the Residential District (RIA) and the Large Lot Residential District (RIB) shall be restricted to the number set out in the regulations applicable to those Land Use Districts.
- 2.5 No Driveways, Parking Pads or Parking Stalls shall be permitted on any Lakefront Parcel.
- 2.6 Driveways and Parking Pad materials shall be permeable or semi-permeable, such as gravel, paving stones, and pavers. The use of concrete and asphalt shall be discouraged.
- 2.7 Any Driveway which crosses a ditch on a Lot shall be constructed with a culvert which is satisfactory to the Development Authority, and which does not interfere with the natural flow, drainage or absorption of water.
- 2.8 The Development Authority may require a swale on the Property to prevent flooding of the adjacent Property.

3 Tree Removal

- 3.1 The removal of healthy trees in any Land Use District shall be discouraged.
- 3.2 The Development Authority may determine as a condition of a Development Permit, that trees and planting features included in a landscape plan may be removed in the future subject to a replacement planting which shall not need to be planted in the same location from which the original planting was removed.

4 Landscaping Standards

- 4.1 Required Landscaping must be
 - 4.1.1 installed within 12 months of occupancy of the Development, and
 - 4.1.2 be maintained in a healthy condition from the date of installation until a minimum of 36 months after the occupancy of the Development.
- 4.2 The area of the Lot or Parcel with vegetation coverage shall be a minimum of 35% of the total area of the Lot or Parcel and may include:
 - 4.2.1 new planting or existing vegetation that comprises native vegetation (including trees and shrubs); or

- 4.2.2 other soft Landscaping elements, and permeable surfaces other than vegetation (e.g., rock gardens, gravel, permeable pavement, etc.).

4.20 Structure and Site Standards

1 Standards for Structures

- 1.1 Any Building or other Structure on a Lot or Parcel shall comply with all current Alberta Building Code and all current safety codes and shall not otherwise threaten public health or safety.
- 1.2 The building materials used to construct a Building or other Structure shall conform to the following requirements:
 - 1.2.1 materials shall not contain any toxic substances which could reasonably be expected to leach into Pigeon Lake or any groundwater;
 - 1.2.2 paving stones shall be permitted for Patios and fire pits so long as any water run-off can drain between the individual stones or as long as the requirements of subsection 1.2.3. below are met; and
 - 1.2.3 non-permeable materials used for horizontal surfaces shall not be permitted unless any water run-off from such surfaces is directed into a filtration area such as a grassy area, a shrub bed, or a flower bed.
- 1.3 No Person shall erect, keep, or permit on any part of a Property in any Land Use District any excavation, storage or piling up of building materials or supplies required during the construction of a Development unless all necessary safety measures are undertaken, and such condition does not continue longer than the Development Authority considers necessary for completion of construction work on the Property.

2 Accessory Structures

- 2.1 A Deck which is attached to a Building shall be deemed to form part of the Building.
- 2.2 Any Building which does not share a foundation or footings with a Principal Building shall be deemed to be an Accessory Building and shall not be deemed to form part of the Principal Building even if the Buildings are attached by a roof, breezeway, Deck, Patio or other at-grade or above-grade connection.
- 2.3 A Deck or Patio which does not exceed 0.3 metres (1.0 foot) in height in any part of the Deck or Patio shall not be subject to the requirements described in the

minimum setbacks subsections of the applicable Land Use District even though the Deck or Patio is attached to the Principal Building.

2.4 Retaining Walls shall:

- 2.4.1** not disrupt overland drainage patterns established for the Lot or Parcel at the time the Development Permit application was submitted and shall not create adverse impacts on the neighbouring Properties;
- 2.4.2** maintain functional overland drainage on all portions of the Lot or Parcel;
- 2.4.3** not divert overland drainage onto adjacent Properties;
- 2.4.4** maintain a minimum horizontal separation of 1.0 metres (3.0 feet) between Retaining Walls on a Lot or Parcel; and
- 2.4.5** be constructed with a guard or Fence on top of the Retaining Wall where the elevation change exceeds 600 millimetres (23.6 inches), consistent with the Alberta Building Code.

3 Privacy Screen

- 3.1** The Development Authority may require the Owner to construct or install a privacy screen on a Deck or on other platform structures to provide a visual barrier and mitigate the negative impacts of the Development on adjacent Properties or public areas. Typical examples include lattices, trellises, parapet walls, wooden boards, translucent glass, or any combination of these or similar features.

4 Encroachment

- 4.1** If a site plan submitted as part of a Development Permit application shows an encroachment, the Development Authority shall, before proceeding with the review:
- 4.1.1** require the Applicant to rectify the encroachment by removing the encroaching Structure; or
 - 4.1.2** submit an Encroachment Agreement to be signed by the Applicant and the Owner of the affected Property.
- 4.2** The submission of an Encroachment Agreement shall not be interpreted as the granting of a variance to the Applicant. The Development Authority shall render its decision concerning the Encroachment based on compliance with all other applicable regulations in this Bylaw.

5 Permitted and Non-Permitted Structures

- 5.1** A Modular Home is a Permitted Use in the Residential District (R1A), the Large Lot Residential District (R1B), the Community District (CD1) and the Community District (CD2) but a Modular Home is neither a Permitted Use nor a Discretionary Use in any other Land Use District.
- 5.2** A Manufactured Home is neither a Permitted Use nor a Discretionary Use in any Land Use District.
- 5.3** A Shipping Container is a Discretionary Use in the Community District (CD1) and Community District (CD2) but a Shipping Container is neither a Permitted Use nor a Discretionary Use in any other Land Use District.
- 5.4** Subject to section 5.10.6 below, a Recreational Vehicle is a Permitted Use in the Residential District (R1A) and the Large Lot Residential District (R1B) but a Recreational Vehicle is neither a Permitted Use nor a Discretionary Use in any other Land Use District.

4.30 Non-Conforming Structures

1 Non-Conforming Structures on a Property

- 1.1 A Structure which is located on a Property in any Land Use District, and which is a Non-Conforming Structure at the time that this Bylaw becomes effective shall be permitted to remain provided that:
- 1.1.1 such Non-Conforming Structure complied with all building codes and safety codes applicable to such Non-Conforming Structure at the time of construction of such Non-Conforming Structure;
 - 1.1.2 subject to subsections 1.1.3. and 1.1.4. below, such Non-Conforming Structure is maintained in good condition and repair;
 - 1.1.3 such Non-Conforming Structure is not enlarged, added to, rebuilt or structurally altered except
 - (i) to make such a Non-Conforming Structure conform with this Bylaw;
 - (ii) for routine maintenance of such Non-Conforming Structure if the Development Authority considers such routine maintenance to be necessary, or
 - (iii) in accordance with minor variances approved by the Development Authority.
 - 1.1.4 if such Non-Conforming Structure is damaged or destroyed to the extent of more than 75% of the value of such Non-Conforming Structure, then such Non-Conforming Structure may not be repaired or rebuilt unless, upon completion thereof, such Non-Conforming Structure conforms with this Bylaw.
- 1.2 Permanently installed utilities which are located on a Property in any Land Use District at the time that this Bylaw becomes effective shall be permitted to remain provided that:
- 1.2.1 such utilities comply with all building codes and safety codes applicable to such utilities at the time of installation of such utilities; and
 - 1.2.2 such utilities are maintained in good condition and repair.

- 1.3 Toxic materials which form part of a Structure located on a Property in any Land Use District at the time that this Bylaw becomes effective shall be permitted to remain provided that:
- 1.3.1 the toxic materials are not leaching into Pigeon Lake or any groundwater;
 - 1.3.2 such Structure complied with all building codes and safety codes applicable to such Structure at the time of construction of such Structure;
 - 1.3.3 subject to subsection 1.4. below, such Structure is maintained in good condition and repair; and
 - 1.3.4 any toxic materials which are to be replaced as part of any repairs described in subsection 1.3.3 above shall be replaced with non-toxic materials.
- 1.4 If, at any time, the Development Authority becomes aware of the fact that any Owner, Occupant or User of a Property is no longer in compliance with one or more of the requirements set out in subsections 1.1., 1.2. or 1.3. above, as the case may be, then:
- 1.4.1 the Development Authority may give written notice of such non-compliance to such Owner, Occupant or User within 10 days following the date that the Development Authority became aware of such non-compliance;
 - 1.4.2 in the case of a Non-Conforming Structure, within 45 days following the end of the 10-day notice period, such Owner, Occupant or User shall either:
 - (i) remedy the non-compliance, or
 - (ii) remove the Non-Conforming Structure from the Property;
 - 1.4.3 in the case of permanently installed utilities, within 45 days following the end of the 10-day notice period, such Owner, Occupant or User shall either:
 - (i) remedy the non-compliance, or
 - (ii) remove such utilities from the Property;
 - 1.4.4 in the case of toxic materials, within 45 days following the end of the 10-day notice period, such Owner, Occupant or User shall either
 - (i) remedy the non-compliance, or

(iii) remove the toxic materials from the Property;

1.4.5 no later than the end of the 45-day period described in subsections 1.4.2., 1.4.3., or 1.4.4. above, as the case may be, such Owner, Occupant or User shall provide to the Development Authority evidence, in form and substance satisfactory to the Development Authority, that such Owner, Occupant or User has satisfied the requirements set out in subsections 1.4.2., 1.4.3., or 1.4.4. above, as the case may be; and

1.4.6 if such Owner, Occupant or User fails to comply with subsection 1.4.5. above, the Development Authority shall be entitled to exercise and enforce one or more of the rights, powers and remedies available to the Development Authority under the MGA including, without limitation, sections 645 and 646 of the MGA.

Part 5 Land Use Districts

5.10 Regulations that Apply to Residential Districts (R1A and R1B)

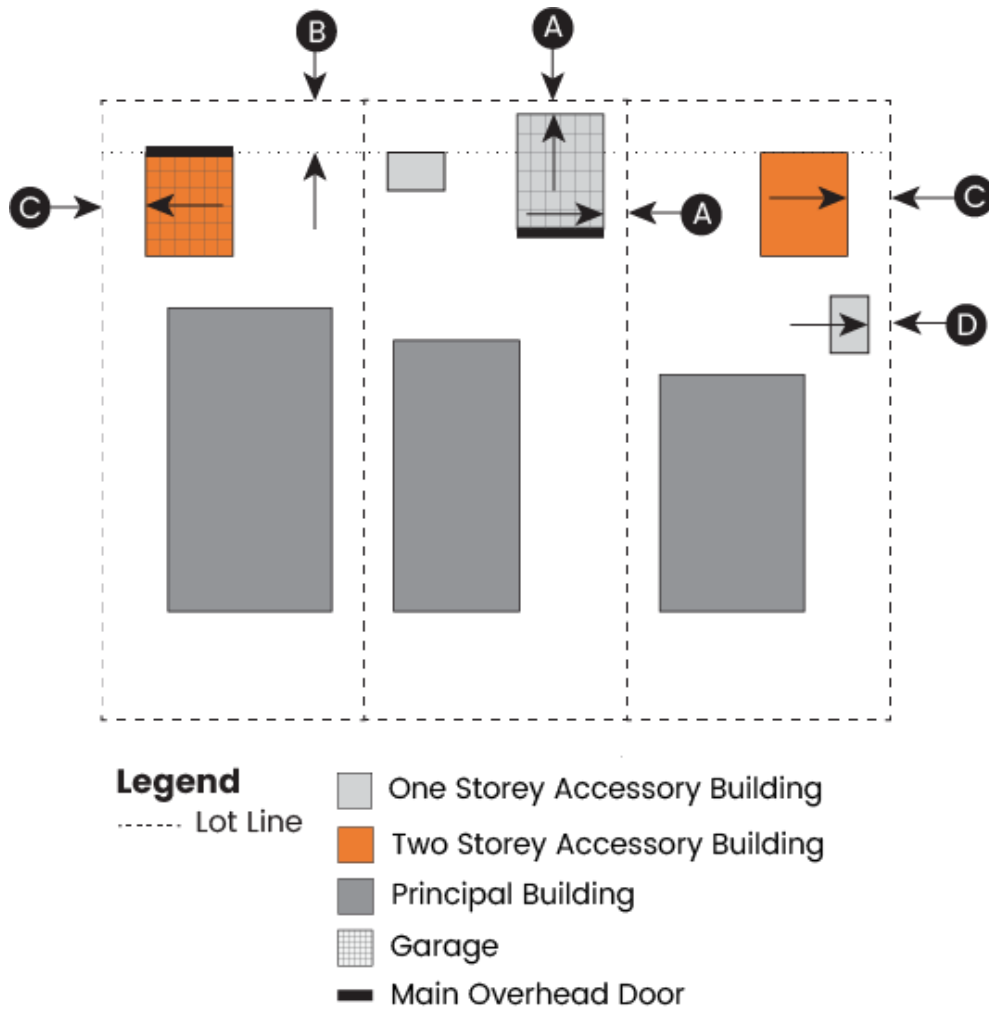

1 Specific Regulations for the Residential Districts (R1A and R1B)

- 1.1 Building facades facing a street must be constructed using two or more of the following design techniques or features:
 - 1.1.1 variations in rooflines;
 - 1.1.2 vertical or horizontal building wall projection or recessions;
 - 1.1.3 visual breaks of building facades into smaller sections;
 - 1.1.4 features such as windows, balconies, or porches;
 - 1.1.5 use of a combination of finishing materials; or
 - 1.1.6 other similar techniques or features.
- 1.2 No electric or barbed wire Fence shall be allowed on a Lot.
- 1.3 With respect to the East Waterfront Lots, no trees or vegetation shall be cleared from within 6.0 metres (20.0 feet) of the high water mark of Pigeon Lake except to provide physical access to Pigeon Lake and only to a maximum width of 3.0 metres (10.0 feet), or where such trees or vegetation are diseased, dying or endangering Structures on the Property or public safety.

2 Re-Subdivision of Lots

- 2.1 Re-subdivision of a Lot shall not be allowed in the Residential District (R1A).
- 2.2 In case of re-subdivision of a Lot through lot consolidation, the minimum area of new residential Lots in the Residential District (R1B) shall be 696.7 square meters (7,500.0 square feet).

3 Accessory Buildings

3.1 An Accessory Building shall not be located in the Front Yard of a Lot and shall be located between the Principal Building and the rear property line of the Lot.

3.2 The minimum Rear Setback for Accessory Buildings shall be as follows:

3.2.1 1.0 metre (3.3 feet) for one-storey Accessory Buildings, including Garages, with the main overhead door facing the front or side Lot lines. **A**

3.2.2 3.0 metres (10.0 feet) for all two-storey Accessory Buildings other than Garages with the main overhead door facing the rear Lot line; **B**

3.3 The minimum Side Setback for Accessory Buildings shall be as follows:

3.3.1 1.8 metres (5.9 feet) for two-storey Accessory Buildings **C**

3.3.2 1.5 metres (4.9 feet) for one-storey Accessory Buildings **D**

- 3.4 An Accessory Building that contains sleeping accommodation shall be deemed to be a Guesthouse.
- 3.5 A Guesthouse or Loft may be built on a second storey of a Garage which shall be deemed a two-storey Accessory Building.
- 3.6 The maximum Floor Area of a Guesthouse shall be 55.0 square metres (592.0 square feet), excluding the stairway and landing Floor Area.

4 Building Height and Extensions

Legend

----- Lot Line

⊥ Fence

- 4.1 Height shall be measured between the highest point of the foundation or footings and the highest point of the roof peak as follows:
- 4.1.1 8.5 metres (28.0 feet) maximum for Principal Building and Accessory Building; E₁
- 4.1.2 1.8 metres (6.0 feet) maximum for any Fence or other means of enclosure unless, in the opinion of the Development Authority, a higher height is reasonably required to ensure privacy. E₂
- 4.2 The eaves, bay windows, chimneys and cantilevered extensions (beyond the foundation or footings) of a Principal Building shall not encroach more than 0.6 metres (23.0 inches) into a setback. F

5 Relocation of Buildings

- 5.1 The relocation of a Building for which a Development Permit has been issued shall constitute a Development and require the issuance of a Development Permit.

6 Recreational Vehicles

- 6.1 The maximum number of Recreational Vehicles that may be located on a Lot at any given time shall be one.
- 6.2 A Recreational Vehicle located on a Lot for more than seven days shall constitute a Development and shall require the issuance of a Development Permit.
- 6.3 Despite subsection 6.2 above, the CAO may waive the fees required for a Development Permit application.
- 6.4 A Recreational Vehicle shall not be used as a permanent Dwelling.
- 6.5 The CAO may authorize a Recreational Vehicle to remain on a Lot for more than seven days without the issuance of a Development Permit provided that:
- 6.5.1 they receive a written request for approval no later than two weeks before the date that the Recreational Vehicle is to be moved onto the Lot;
 - 6.5.2 are satisfied with the reason for the request for approval (e.g.: off-season storage, etc.); and
 - 6.5.3 they find the location of the Recreational Vehicle on the Lot to be acceptable.

7 Home Business

- 7.1 A Home Business shall be construed as a Discretionary Use and shall conform to, and comply with, any bylaws or policies of the Summer Village which are applicable to a Home Business.

8 Short Term Rental

- 8.1 A Short Term Rental shall be construed as a Discretionary Use and shall conform to, and comply with, any bylaws or policies of the Summer Village which are applicable to a Short Term Rental.

5.40 Regulations that Apply to Lakefront Districts (ED, PUL, RA)

1 Specific Regulations for the Lakefront Districts (ED, PUL, RA)

- 1.1 The Lakefront Parcels shall be designed and landscaped to minimize disturbance to the natural environment and protect environmentally sensitive areas from damage. In doing so:
 - 1.1.1 building materials used to construct a Structure shall be environmentally friendly;
 - 1.1.2 Fences between Parcels, permanently installed utilities, including, without limitation, natural gas, propane, water wells and wastewater holding tanks shall be prohibited; and
 - 1.1.3 low impact development (LID) technologies are encouraged.
- 1.2 No trees or vegetation shall be cleared from within 6.0 metres (20.0 feet) of the high water mark of Pigeon Lake except to provide physical access to Pigeon Lake and only to a maximum width of 3.0 metres (10.0 feet), or where such trees or vegetation are diseased, dying or endangering Structures on the Property, or public safety.
- 1.3 Decks and Patios shall not be allowed on top of Storage Buildings.

5.50 Easement District (ED) Land Use and Development Standards

1 Specific Regulations for the Easement District (ED)

- 1.1 Nothing in these regulations shall restrict, limit or adversely affect the power or ability of the EHA to enforce or exercise its rights and powers under, any written easement agreement for Easement Lands granted by the EHA or its predecessor in title in favour of an Easement User or his/her predecessor in title.
- 1.2 If, with respect to a proposed Development on an ED Parcel, the written easement agreement or the written license agreement applicable to such ED Parcel contains or sets out one or more requirements, conditions, limitations or prohibitions which apply to such proposed Development and which are more restrictive than the requirements, conditions, limitations or prohibitions contained or set out in these regulations, then the more restrictive requirements, conditions, limitations or prohibitions contained or set out in such written easement agreement or such written license agreement shall apply to such proposed Development on such ED Parcel unless the Development Authority decides otherwise.

5.60 Public Utility District (PUL) Land Use and Development Standards

1 Specific Regulations for the Public Utility District (PUL)

- 1.1 Nothing in these regulations shall restrict, limit, or adversely affect the power or ability of the Summer Village to enforce or exercise its rights and powers under, any written access easement agreement or written license agreement granted by the Summer Village in favour of a PUL User or his/her predecessor in title.
- 1.2 If, with respect to a proposed Development on a PUL Parcel, the written easement agreement or the written license agreement applicable to such PUL Parcel contains or sets out one or more requirements, conditions, limitations or prohibitions which apply to such proposed Development and which are more restrictive than the requirements, conditions, limitations or prohibitions contained or set out in these regulations, then the more restrictive requirements, conditions, limitations or prohibitions contained or set out in such written easement agreement or such written license agreement shall apply to such proposed Development on such PUL Parcel unless the Development Authority decides otherwise.
- 1.3 If more than one PUL User is authorized to use and occupy a PUL Parcel, then, with respect to a proposed Development on such PUL Parcel:
 - 1.3.1 all PUL Users of such PUL Parcel shall be Applicants for any Development Permit applicable to such proposed Development;
 - 1.3.2 all costs applicable to such proposed Development including, without limitation, application fees, construction costs and ongoing maintenance and repair costs shall be shared equally by all PUL Users;
 - 1.3.3 the ownership, use and enjoyment of any Structures forming part of such proposed Development shall be shared equally by all PUL Users; and
 - 1.3.4 all of the liabilities, obligations and responsibilities applicable to or associated with such proposed Development including, without limitation, any Structures forming part of such proposed Development shall be shared equally by all PUL Users;

unless the PUL Users agree otherwise in writing with respect to one or more of the statements set out in subsections 1.3.1, 1.3.2, 1.3.3, or 1.3.4 above and such agreement of the PUL Users is approved in writing by the Development Authority.

1.4 The decision of the Development Authority to:

- 1.4.1 give or withhold its approval of a proposed Development in accordance with subsection 1.1 above;
- 1.4.2 apply one or more less restrictive requirements, conditions, limitations or prohibitions to a proposed Development in accordance with subsection 1.2. above, or
- 1.4.3 approve a decision of the PUL Users not to adopt or agree to one or more of the statements set out in subsections 1.3.1, 1.3.2, 1.3.3, or 1.3.4 above;

shall be within the sole and unfettered discretion of the Development Authority provided that, in making its decision, the Development Authority shall take into account the requirements set out in these regulations and any other matters which are deemed relevant by the Development Authority including, without limitation, the terms of any easement agreement, license agreement, restrictive covenant or caveat registered against the title to the PUL Parcel which is the subject of such proposed Development.

- 1.1 The Road Allowance District (RA) is made up of the East Road Allowance Lands and the West Road Allowance Lands.
- 1.2 Nothing in these regulations shall restrict, limit, or adversely affect the power or ability of the Summer Village to enforce or exercise its rights and powers under, any written access easement agreement or written license agreement granted by the Summer Village in favour of a Road Allowance User or his/her predecessor in title.
- 1.3 If, with respect to a proposed Development on a Road Allowance Parcel, the written easement agreement or the written license agreement applicable to such Road Allowance Parcel contains or sets out one or more requirements, conditions, limitations or prohibitions which apply to such proposed Development and which are more restrictive than the requirements, conditions, limitations or prohibitions contained or set out in these regulations, then the more restrictive requirements, conditions, limitations or prohibitions contained or set out in such written access easement agreement or such written license agreement shall apply to such proposed Development on such Road Allowance Parcel unless the Development Authority decides otherwise.
- 1.4 If more than one Road Allowance User is authorized to use and occupy a Road Allowance Parcel, then, with respect to a proposed Development on such Road Allowance Parcel:
 - 1.4.1 all Road Allowance Users of such Road Allowance Parcel shall be Applicants for any Development Permit applicable to such proposed Development;
 - 1.4.2 all costs applicable to such proposed Development including, without limitation, application fees, construction costs and ongoing maintenance and repair costs shall be shared equally by all Road Allowance Users;
 - 1.4.3 the ownership, use and enjoyment of any Structures forming part of such proposed Development shall be shared equally by all Road Allowance Users; and

- 1.4.4 all liabilities, obligations, and responsibilities applicable to or associated with such proposed Development including, without limitation, any Structures forming part of such proposed Development shall be shared equally by all the Road Allowance Users;

unless the Road Allowance Users agree otherwise in writing with respect to one or more of the statements set out in subsections 1.4.1, 1.4.2, 1.4.3, or 1.4.4 above. and such agreement of the Road Allowance Users is approved in writing by the Development Authority.

1.5 The decision of the Development Authority to:

- 1.5.1 give or withhold its approval of a proposed Development in accordance with subsection 1.2 above;
- 1.5.2 apply one or more less restrictive requirements, conditions, limitations or prohibitions to a proposed Development in accordance with subsection 1.3 above, or
- 1.5.3 approve a decision of the Road Allowance Users not to adopt or agree to one or more of the statements set out in subsection 1.4 above;

shall be within the sole and unfettered discretion of the Development Authority provided that, in making its decision, the Development Authority shall take into account the requirements set out in these regulations and any other matters which are deemed relevant by the Development Authority including, without limitation, the terms of any easement agreement, license agreement, restrictive covenant or caveat registered against the title to the Road Allowance Parcel which is the subject of such proposed Development.
